***Weedgalized in Colorado*** is a lighthearted and surprisingly informative read, featuring on-the-ground stories from scores of participants in Colorado's historic transformation into a cannabis-friendly state. The book doubles as a reference guide, listing dispensaries, strains and more.

Johnny Welsh's unique perspective stems from his career as a professional bartender in the heart of Colorado's famous ski country. His big, engaging personality encouraged friends and strangers alike to share what they have seen and heard about the state's new cannabis culture.

***Weedgalized in Colorado*** contains interviews with characters ranging from the "Town Stoner" to the county Sheriff, as well as dispensary owners, dealers, growers, tour guides, entrepreneurs and even movie producers looking for their next blockbuster. Chapters include:

- The Dealers and the Players
  - Weed vs. Alcohol
  - A Tour of Colorado's Pot Holes
  - Weedia: Weed in the Media
  - Meet the Ganjapreneur
  - 100 Nicknames for Marijuana
- 

**Johnny Welsh** has worked as a professional bartender in Frisco, Colorado, for almost twenty years. Born in Atlantic City, New Jersey, he has a BA in Italian Language, Literature and Culture from Syracuse University. Few people have heard more—or more varied—tales than *Johnny the Bartender*.
